

Smart WiFi Power Socket

ST100-UK

Works with Amazon Alexa, Google Home, IFTTT, Tuya

Specifications:

Type	EU Standard
Material	ABS and Anti-fire PC
Rated Voltage	AC 100V-240V, 50/60Hz
Current	16A (Max.)
Power Statistics Function	Current, Voltage, Consumption, etc
WiFi Standard	2.4GHz, IEEE 802.11 b/g/n
OS Supported	Android, iOS
Available App:	Tuya Smart, Smart Life
Operating Temperature	-10°C to 60 °C
Compatibility	Google Home, Amazon Alexa, IFTTT
Dimension	50mm * 50mm * 80mm
Net Weight	95g

Features:

- WiFi Remote Control: Power on/off from anywhere
- App Support: Free iOS and Android Phone Apps (Smart Life or Tuya Smart)
- Voice Control: Work with Amazon Alexa, Google Home
- Synchronization Status: Real-time Device Status showed in App
- Timing Function: Set Schedule/Countdown Timer to power on/off
- Scenerio Management: Can realize linkage with other Tuya hardwares
