

# AJ-315W

## Under Desk Audio Jammer

Control button (press to turn on/off jamming, press and hold 3S to restore factory settings)

## Specification

Jamming	Saturated jamming on Android phones, iPhones and other recording devices, recording playback is all noise, can not hear the original voice information
Jamming range	60°@1m
Jamming distance	HUAWEI Mate 40 > 2m @70dB facing microphone; iPhone 12mini > 1.5m @70dB facing microphone
Working voltage	DC 18-30V
working temperature	-10°C ~ +45°C
Working humidity	< 85%, No condensation
Storage conditions	93%, 25°C
Power consumption	<50W
Dimensions	(354*127*26)mm±1mm
Weight	1445g

## Installation

AJ-315W can be suspended mounted, after selecting the mounting position, unfold the mounting plate, take out the 4 M4\*10 self-tapping screws supplied with it and tighten them with a Phillips screwdriver.

## Notes

1. Do not use power supplies, chargers or batteries other than those originally supplied to power the jammer.
2. Do not place the jammer in operation close to or directly in front of your ear.
3. Do not expose the jammer to dusty, humid environments for long periods of time.
4. Do not use liquid solvents to clean the jammer, use a dry cloth to gently wipe the surface dirt and dust.
5. Do not place the jammer in a place with extremely high or low temperature, the storage environment is  $-20^{\circ}\text{C} \sim 55^{\circ}\text{C}$ , otherwise it will affect the service life of the device.
6. Do not expose the jammer to high temperatures or around heat generating devices such as sunlight, heaters, microwave ovens, ovens or water heaters.
7. Do not expose the jammer to open flames as this may cause safety problems.
8. Do not drop, crush or puncture the jammer as this may cause abnormal operation or damage to the device.
9. Do not attempt to disassemble the jammer.
